### **Gulf Coast Chapter NRHS entering into new museum development agreement**

HOUSTON, TEXAS: Houston-based Gulf Coast Chapter - National Railway Historical Society, Inc. (Gulf Coast NRHS) is entering into a new operating agreement with Texas Railroading Heritage Museum (TRHM) to pursue development of a railroad museum in the Houston area. Both organizations are 501(c)(3) nonprofit educational organizations incorporated in the State of Texas.

A previous agreement between Gulf Coast NRHS and TRHM related to establishment of a railroad museum in the City of Tomball north of Houston has been terminated as TRHM and the city have agreed mutually to withdraw from the project.
